January 2019

Dear Wilder families,

Below you will find the remaining *standardized* testing dates for Wilder Middle School. These dates do not include regular classroom assessments or county mandated benchmark assessments that will occur in late January into February. ***We ask that families please take these dates into account when scheduling medical appointments, getaways, and/or other activities that may keep your scholar out of school.*** Students are much more likely to do their best on their assessments on the scheduled day of testing with their peers versus when having to be pulled from their daily routines for make-up testing sessions later. We thank you for your consideration of these important dates in advance.
